These drawings, the content thereof, and the design work that is produced these drawings are the property of Cedar Knob Log Homes, Inc. and are intended solely for the construction of a Cedar Knob Log Home structure. Any reproduction or use of these drawings for the construction of any structure other than a CKL structure, without prior written consent from CKL, will be in violation of CKL's "CKL Warranty". The use of substitute materials will void the CKL warranty. Any changes made on them after prints are made will be done at the owner's and/or builder's expense and responsibility. The contractor shall verify all dimensions in the enclosed drawings. CKL is not liable for errors made on them after prints are made, although we strive to create them with as much care as possible. In the event of any errors, the maker can not guarantee against human error. The maker shall not be liable for any damage to the structure or any other property in the event of any discrepancy between material specifications and drawings. Material specifications will take precedence.

These drawings, the content thereof, and the design work that is reflected herein in drawings are the property of Cedar Knoll Log Homes, Inc. and are intended solely for the construction of a Cedar Knoll Log Home structure. Any reproduction or use of these drawings for the construction of any structure other than a CKL structure, without prior written consent from CKL, will be in violation of law and will void any CKL warranty. The use of substitute plans, materials and/or products, other than those specified in the CKL specifications, and any changes made on them after prints are made, will be done at the owner's and/or builder's expense and responsibility. The contractor shall verify all dimensions in the enclosed drawings. CKL is not liable for errors we make when translating drawings to construction. In case of any discrepancy between material specifications and drawings, material specifications will take precedence.
